ANZAC Memorial Stage 2

Dear Parents/ Caregivers,

During this term Stage Two has been learning about Community and Remembrance as part of our history unit. To assist students in developing a better understanding of the topic, students will be visiting the Anzac Memorial in Hyde Park. They will conduct an historical inquiry through the stories and lives of our Anzacs in an engaging and creative workshop. Students will use art, objects and storytelling to learn more about the places our Anzacs came from, where they went and how representation, unique to the Memorial, helps us remember them.
