Permission to Publish Football NSW Gala Day

On Friday 24th November 2023, Villawood North PS and Football NSW will be hosting a Football Gala Day to officially open our new soccer field. The department and Football NSW has asked if their corresponding media units can visit our school on this day to interview, take photos and film students during the event.

Students will be asked to respond to questions related to the installation of the new field.

Students will be filmed and photographed while being interviewed. Background footage of students using the soccer field will also be obtained.

Promotional material obtained about your child may be published in print and online publications of state, regional and local newspapers and on national television networks.

Please return the permission below to the office by Wednesday 22nd November 2023, if you approve of your child/children being part of the media promotion of the event.

Yours sincerely,
Kristy Bentley
Principal

Permission to Publish – Football NSW Gala Day

I give permission for my child to be interviewed, photographed, and filmed on Friday 24th November 2023 by the media unit of the Department of Education and Football NSW for its promotion of the Football Gala Day being held at Villawood North PS. I give permission for this material to be published in print and electronic media including national television networks.
